

We Are Looking for Employees
Who Actively Contribute.

Career Opportunities with FICO TONBELLER

As global Competence Center Compliance of Fair Isaac Corporation (NYSE: FICO) our main objective in Germany is the sustainable fight against financial and white-collar crime. We help banks, insurance companies, and industrial corporations fulfill their compliance obligations, avoid reputational damages, and live up to their own ethical standards. More than 1,200 customers in over 90 countries rely on our IT solutions.

FICO is world-market leader for Predictive Analytics and Decision Management Software. The company has subsidiaries in 25 countries and over 3,000 employees, 150 of them based in Germany.

To reinforce our **Quality Assurance** team at our location in Bensheim (Germany), we are looking for an

Agile Test Engineer (f/m/d)

Tasks

- Sprint test design through systematic test-case specifications
- Conceptual sprint design, test-script implementation and optimization
- Manual and automatic system tests in agile Scrum teams according to ISTQB
- Test-result documentation
- Support of Change Management Process
- Discussion of the results with the test manager and in cross-functional project teams
- Continuous process improvement
- Independent or team work in exciting and challenging projects using state-of-the-art technology

Profile / Personality

- Graduate with relevant technical-scientific background (e.g. Computer Science) or education as an IT specialist in application development
- Experienced in test automation, especially GUI tests
- Skilled and experienced in Selenium WebDriver, TestNG, Jenkins, JIRA Agile
- Sound knowledge of Java, SQL, databases, Windows and Linux
- Test certifications (e.g. ISTQB Certified Tester) are considered a plus
- Team spirit and cooperativeness
- Analytical, structured and systematic work approach and commitment to high quality
- Excellent English language skills are required (B2+)
- Good German language skills (B1+) would be an advantage

Our German Benefits

- An exciting work environment that combines the strengths of a medium-sized company with the innovation power of the Silicon-Valley-based FICO group
- Diversified and challenging projects in an international environment
- An open work culture that values and encourages ideas and contributions
- Continual individual professional and personal development
- Flexible work-time models, free beverages and snacks and much more
