

As global Competence Center Compliance of Fair Isaac Corporation (NYSE: FICO) our main objective is the sustainable fight against financial and white-collar crime. We help banks, insurance companies, and industrial corporations fulfill their compliance obligations, avoid reputational damages, and live up to their own ethical standards. More than 1,200 customers in over 90 countries rely on our IT solutions.

FICO is world-market leader for Predictive Analytics and Decision Management Software. The company has subsidiaries in 25 countries and employs more than 3,800 employees, thereof about 160 in Germany.

To reinforce our **R&D team** in Bensheim (Germany) from September 2019, we are looking for an

Apprentice (f/m/d) as IT specialist for application development

Tasks

- You will pass through all departments of software development, consulting and customer support
- You support the development and programming of customer-specific software
- You develop software solutions and user interfaces, carry out tests and adapt existing applications
- You will be familiarized with programming languages like Java/ HTML 5 and learn how to handle databases such as SQL servers
- You will also get to know the cloud environment
- You will learn to detect and correct mistakes at an early stage by using expert or diagnostic systems

Profile / Personality

- Entrance qualification for a university of applied sciences (Fachhochschulreife/ Abitur) or first practical experience through a commenced course of study in business informatic, computer science or mathematics
- First programming experience is advantageous as well as interest in software and its applications
- Structured and independent working method with a high willingness to take over responsibility
- Quick comprehension and good analytical skills
- Good knowledge of common MS Office applications (Excel, Word, and PowerPoint)
- Fluent in German and English; additional foreign languages would be an advantage

All doors are open to committed apprentices for a successful career start at FICO!

Our German Benefits

- An exciting work environment that combines the strengths of a medium-sized company with the innovation power of the Silicon-Valley-based FICO group
- Diversified and challenging projects in an international environment
- An open work culture that values and encourages ideas and contributions
- Continual individual professional and personal development
- Flexible work-time models, free beverages and snacks and much more
- A fair apprentice salary (monthly): 1.200,- € (1st year) / 1.300,- € (2nd year) / 1.400,- € (3rd year)
