

As global Competence Center Compliance of Fair Isaac Corporation (NYSE: FICO) our main objective in Germany is the sustainable fight against financial and white-collar crime. We help banks, insurance companies, and industrial corporations fulfill their compliance obligations, avoid reputational damages, and live up to their own ethical standards. More than 1,200 customers in over 90 countries rely on our IT solutions.

FICO is world-market leader for Predictive Analytics and Decision Management Software. The company has subsidiaries in 25 countries and employs more than 3,000 employees, thereof about 150 in Germany.

To reinforce our Professional Services team in Bensheim (Germany), we are looking for a

Business Consultant Anti-Financial Crime (f/m)

Tasks

- Help our customers design compliance strategies and specifications
- Create and update risk analyses
- Develop market and business models
- Implement concepts (remote or on premises) using our innovative IT-tools
- Introduction and integration of our products and solutions at the customer

Profile / Personality

- Excellent or good university degree in economical and/or legal sciences or trained bank clerk with in-service studies
- First work experience at a consulting firm, a credit institution or the Compliance department of an international business
- Deeper insights in white-collar crime prevention and/or compliance are considered a plus
- You impress our international customers through your consulting spirit and professionalism
- Fluent in English combined with intercultural competence and a travel-readiness of up to 70%
- You are convincing as a team member and colleague
- Your work approach is characterized by personal initiative and responsibility
- You are goal-oriented and have excellent analytical skills

Our German Benefits

- An exciting work environment that combines the strengths of a medium-sized company with the innovation power of the Silicon-Valley-based FICO group
- Diversified and challenging projects in an international environment
- An open work culture that values and encourages ideas and contributions
- Continual occupational training options, e.g. FICO University, specialized literature, participation in trainings and conferences, individual support of trainings
- Flexible work-time models, free beverages and snacks and much more

Are you interested? If so, we are looking forward to meeting you in person and to your application in our [online portal](#) (preferred) or via email stating your desired salary and earliest onboarding date.
