

As global Competence Center Compliance of Fair Isaac Corporation (NYSE: FICO) our main objective in Germany is the sustainable fight against financial and white-collar crime. We help banks, insurance companies, and industrial corporations fulfill their compliance obligations, avoid reputational damages, and live up to their own ethical standards. More than 1,200 customers in over 90 countries rely on our IT solutions.

FICO is world-market leader for Predictive Analytics and Decision Management Software. The company has subsidiaries in 25 countries and over 3,000 employees, 150 of them based in Germany.

To reinforce our Professional Services Team in Bensheim (Germany), we are looking for a

Solution Lead Consultant (f/m/d)

Tasks

- Consultancy guidance of our customers in technical planning of Compliance Management Systems and IT-supported implementation
- Preparation of solution outlines and specifications together with our customers
- Implementation and integration of our products and solutions in the systems landscape of our customers
- Preparation and customization of procedures and data transition programs
- Training of our partners and customers in administration and use of our applications
- Analysis of optimization potentials of our solutions in the customer application

Profile / Personality

- Academic degree (Business Administration or technical course of study) or trained IT specialist
- At least 5 years of experience in IT consulting, ideally with a bank, consultancy or insurance company
- Experience with IT system landscapes, IT architectures and operating systems (including Linux, UNIX) as well as the establishment and use of databases (e.g., MS SQL Server, Oracle, DB2)
- Fluent in English combined with intercultural competence and a travel-readiness of up to 70%
- Convincing, self-assured and winning nature with a strong sense of responsibility, self-initiative, and analytical thinking
- Strong affinity for business topics and IT

Our German Benefits

- An exciting work environment that combines the strengths of a medium-sized company with the innovation power of the Silicon-Valley-based FICO group
- Diversified and challenging projects in an international environment
- An open work culture that values and encourages ideas and contributions
- Continual occupational training options, e.g. FICO University, specialized literature, participation in trainings and conferences, individual support of trainings
- Flexible work-time models, free beverages and snacks and much more
