

We Are Looking for Employees
Who Actively Contribute.

Career Opportunities with FICO TONBELLER

As global Competence Center Compliance of Fair Isaac Corporation (NYSE: FICO) our main objective is the sustainable fight against financial and white-collar crime. We help banks, insurance companies, and industrial corporations fulfill their compliance obligations, avoid reputational damages, and live up to their own ethical standards. More than 1,200 customers in over 90 countries rely on our IT solutions.

FICO is world-market leader for Predictive Analytics and Decision Management Software. The company has subsidiaries in 25 countries and over 3,000 employees, 150 of them based in Germany.

To reinforce our Professional Services team in Bensheim (Germany), we are looking for an

IT-Consultant (f/m/d) Integration Services with focus on Java development

Tasks

- Advisory of our national and international customers in technical planning (solutions architecture) of Compliance Management Systems and their IT-supported implementation, especially interface architecture
- Preparation of solution outlines and specifications together with our customers
- Implementation and integration of our products and solutions at customer site
- Preparation and customization of project specific programs and procedures
- Training of our partners and customers in administration and use of our solutions
- Analysis of optimization potentials of our solutions at customer sites

Profile / Personality

- Academic degree in (business-) informatics, mathematics, engineering or natural sciences or trained IT specialist
- Strong affinity for IT consulting, ideally within the environment of banks or insurance company
- Good Java knowledge as well as know-how of IT architecture
- Knowledge of application servers (Tomcat, WebSphere, WebLogic)
- Experience in current software development tools (preferably Eclipse)
- Practical experience with customary database systems (i.e. MS-SQL-Server, Oracle, DB2)
- Proficiency in the establishment of IT software programs remote and at customer site
- Convincing, self-assured and winning nature and excellent communication skills
- Strong sense of responsibility, self-initiative and analytical thinking
- Motivation and enthusiasm to gain experience in an international environment combined with a travel-readiness of up to 50%
- Excellent English language skills are required as well as good German language skills
- We also offer very good possibilities for young professionals

Our German Benefits

- An exciting work environment that combines the strengths of a medium-sized company with the innovation power of the Silicon-Valley-based FICO group
- Diversified and challenging projects in an international environment
- An open work culture that values and encourages ideas and contributions
- Individual professional and personal development
- Flexible work-time models, free beverages and snacks and much more
