Who Actively Contribute.

Career Opportunities with FICO TONBELLER

As global Competence Center Compliance of Fair Isaac Corporation (NYSE: FICO) our main objective in Germany is the sustainable fight against financial and white-collar crime. We help banks, insurance companies, and industrial corporations fulfill their compliance obligations, avoid reputational damages, and live up to their own ethical standards. More than 1,200 customers in over 90 countries rely on our IT solutions.

FICO is world-market leader for Predictive Analytics and Decision Management Software. The company has subsidiaries in 25 countries and over 3,000 employees, 150 of them based in Germany.

To reinforce our international **Java team** in Bensheim, we are looking for an experienced

## Java Web Developer (f/m/d)

### Tasks

- Develop and maintain web applications of our Anti-Financial Crime Solutions suite
- Assist colleagues from the Support team with customer enquiries
- Analyze and handle errors

### Profile / Personality

- Practical experience in software development for complex software projects
- Very good know-how in Java, JSP/Servlet technology and SOAP Services; know-how in JavaScript (jQuery) is advantageous
- Competent usage of database systems such as Oracle, SQL Server, DB/2, with complex SQL queries and object-relational mapping tools (Hibernate, EclipseLink)
- Sound knowledge of application servers (Tomcat, WebSphere, WebLogic) as well as current development tools like Eclipse IDE, Build Tools (e.g. ANT or Gradle) and testing tools (e.g. Sonar and junit)
- Eager to work closely with colleagues of different nationalities
- Excellent English language skills are required (B2+) as well as good German language skills (B1+)

### Our German Benefits

- An exciting work environment that combines the strengths of a medium-sized company with the innovation power of the Silicon-Valley-based FICO group
- Diversified and challenging projects in an international environment
- An open work culture that values and encourages ideas and contributions
- Continual individual professional and personal development
- Flexible work-time models, free beverages and snacks and much more
