

As global Competence Center Compliance of Fair Isaac Corporation (NYSE: FICO) our main objective is the sustainable fight against financial and white-collar crime. We help banks, insurance companies, and industrial corporations fulfill their compliance obligations, avoid reputational damages, and live up to their own ethical standards. More than 1,200 customers in over 90 countries rely on our IT solutions.

FICO is world-market leader for Predictive Analytics and Decision Management Software. The company has subsidiaries in 25 countries and over 3,000 employees, 150 of them based in Germany.

To support our Professional Services team in Bensheim (Germany), we are looking for a

Working Student (f/m/d) for our Academy

Tasks

- Creation, update and completion of training documents using PowerPoint in English and German
- Preparation of materials for e-learning, e.g. screencasts, videos, texts
- Support in organizing and performing certification exams
- Development and maintenance of test data and samples for trainings
- Support in building and maintaining cloud-based training environments
- Collection, organization and publication of internal contributions to knowledge management
- General administrative tasks

Profile / Personality

- Student of economics, business informatics or comparable courses of study
- Knowledge of video editing and e-learning authoring tools (e.g. Articulate 360) are an advantage
- Good knowledge of MS Office applications, especially PowerPoint
- Willingness to familiarize yourself with our FICO TONBELLER products
- Ability to work in a team combined with a high sense of responsibility
- Enjoy working in an international team
- Fluent in both German and English

Our German Benefits

- An exciting work environment that combines the strengths of a medium-sized company with the innovation power of the Silicon-Valley-based FICO group
- Diversified and challenging projects in an international environment
- An open work culture that values and encourages ideas and contributions
- Continual occupational training options, e.g. FICO University, specialized literature, participation in trainings and conferences, individual support of trainings
- Free beverages and snacks and much more
